

RETURNS & CANCELLATIONS POLICY

Cancellations:

If you wish you cancel your order once it has been processed, please contact us by e-mail or telephone within 2 working days.

However, there could be instances where it is not possible to cancel, as parts are deemed non-standard or those of a non-popular size. Therefore, in these cases, part or full cost may still be charged as it is highly unlikely that parts could be sold on to other customers.

Returns:

The returning of goods must be within 30 days after the date of the delivery note. In order for us to process a credit against the returned goods, the goods must be in their original condition and packaging so that they are suitable for resale. However, if packaging is damaged in any way, the credit may include a handling charge. Returned goods must be suitably packed and sent prepaid to:
